Dermatology Challenge: A Westie with an elephant's hide

Uncovering the cause

Oxyfresh Pet Oral Hygiene Solution

Oxyfresh Worldwide introduces Pet Oral Hygiene Solution. The product, when added to a pet's drinking water, helps eliminate bad breath, prevent plaque and tartar accumulation, and support healthy gum tissue. Each 4-oz. trial-size bottle makes 6 gallons of water; the hygiene solution also comes in 16-oz. and 1-gal.

Caring for birds and other exotic animals
